Bohdan Kondratskyi

I am a front-end developer focused on building clean, reliable interfaces with React and Next.js.

Work Experience

Front-end Developer   **RevenueBot**   **Aug 2024 – Feb 2025**
Remote

- Redesigned and optimized core interface elements
- Improved seo and developed new pages following BEM
- Enhanced site performance and consistency
- Created social media content, including informative posts and promotional visuals

Full-stack Developer   **KI Recruitment**   **May 2024 – Aug 2024**
Remote

- Developed client-side interfaces with real-time updates using pusher
- Created a detailed dashboard to improve user experience
- Implemented chat functionality and email notifications
- Added google and credentials-based authentication
- Integrated wix api to forward website form data
- Built and maintained server-side logic with Next.js and Prisma

Education and Certifications

- **Mate Academy Front-end Developer Course**, Remote   **2025**
- **B.Sc. Software Engineering,** WSB Merito, Wrocław   **2024 - 2027**
